If you are visiting the University for a meeting or show round, please make your visit further up the hill to the visitor reserved car parking section (7th turning left on Sparkford Road) in Burma Road. If space is available, once parked please report to the main reception located to your right from the car park.

If you are attending a conference please use the main car park, which is the 4th turning on the left along Sparkford Road (marked main car park). Once parked, follow signs to the conference location as stated in your joining instructions. If the main car park is full, further parking is available if you leave the car park, turn right on Sparkford Road, then take the first left. (Medcroft)
